Top Events are an outdoor activities company offering exciting, competitive and fun activities for corporate occasions. All of our activities are available outdoors at Westmill Farm in Ware between April and September while we run archery and shooting throughout the year, indoors if required. As well as running at Westmill we can bring all of our activities to you, with the exception of hill rolling.

The following notes summarise our activities and provide indicative prices.

Target archery – Bare bow style archery indoors or out, using high quality composite recurve bows and alloy arrows with 10 zone scoring on a full size target face. Great competitive fun for all ages and abilities.

- First hour £150
- ½ day (max 3hrs) from £300

Laser clay shooting – The equipment is completely safe and can be used indoors or out, daytime or night, by up to four people at a time. The perfect activity for a team building competition or just plain old entertainment.

- First hour £125
- ½ day (max 3 hrs) from £250

Climbing wall – quite a formidable structure standing at over 8m high and accommodating up to four climbers simultaneously. This is a fun and demanding activity for almost anyone. Race your colleagues to the top or just conquer your fear of heights!

- First hour £200 (at Westmill)
- ½ day (max 3 hrs) From £400 (minimum off-site booking)

Hill Rolling (Sphereing®) – rolling down a hill inside a big inflatable ball with a friend, this is extreme fun and only for the very brave.

- £59 1 roll for 2 people Aqua or Harness
- £69 1 roll for 2 people Eclipse or
- £69 1 roll for 3 people Aqua
(for bookings including 5 Sphere® rolls or more we will apply a group discount).

We can increase the fun by adding a Bungee run, Bouncy castle or Sumo wrestling arena or incorporate subsidiary activities such as Table football, Giant Jenga, Quoits, Pea in a bottle or a topical quiz into the day which will help involve those delegates who are less inclined towards the other activities.

Combination & multi activity prices are available on request.

Depending on the objectives of your team event and the demographic of those involved, it can be useful to include an element of competitiveness. In this case it is your choice whether the motivation is derived from an individual or team based approach. We can format our activities and their scoring to suit either.
